# Accelerate Employee Learning and Training in the COVID-19 Era

How do you rapidly react to the
challenges of COVID-19?
Train and upskill your workforce

# Accelerate Employee Learning and Training in the COVID-19 Era

### Maintain Employee Engagement during these Unprecedented Times

The COVID-19 pandemic has caused widespread disruption to business operations. During these unprecedented times, it is crucial for organisations to keep their employees engaged, motivated and informed. The HR Team can play a significant role in continuing the professional development of employees and embrace a culture of learning.
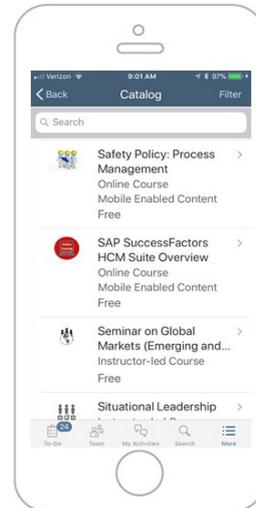

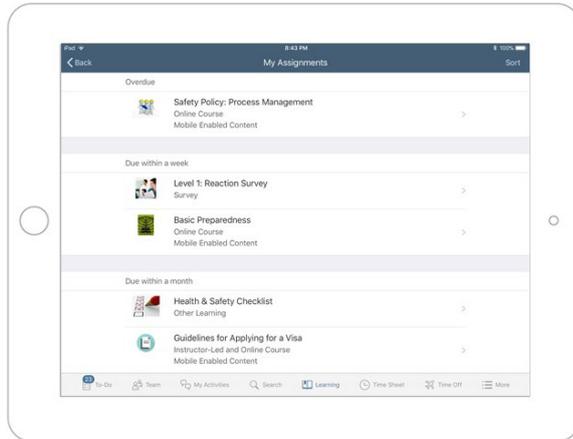

Introducing a learning platform will help your remote workforce to stay up-to-date with relevant courses, maintain mandatory certifications, help to cross-train and develop new skills.

### SAP SuccessFactors Ready-2-Run Learning solution by itelligence

At itelligence, we offer Ready-2-Run (R2R) - a rapid implementation approach for SAP SuccessFactors' Learning to address your most critical learning needs. The R2R approach fast-tracks your time-to-value and enables you to reap the benefits of the industry-leading learning solution in a matter of weeks. - Fixed implementation timeline and pricing (project time starting from as little as 12 days)
- End-to-end process maps aligned with SAP SuccessFactors that set the solution in a business context
- Agile implementation methodology securing faster end-user adoption and feedback
- Administrative training and knowledge sharing
- Guides and documentation
- Remote delivery model resulting in limited deployment costs

## SAP SuccessFactors' Learning

Improve business results, boost productivity, and increase organisational competitiveness with a learning solution that allows you to develop leaders, assure compliance, and train external audiences. SAP SuccessFactors puts your employees at the centre of the learning experience – making them both teacher and student. Engaged employees will develop new skills, share ideas, and gain insights, making them more motivated and productive through:

- **Item, Curriculum, Programme Management**
  The creation and administration of training events and materials
- **Scheduling, Enrollment and Resource Management**
  The administration of classroom-based training schedules and participation
- **Online Content Management**
  The upload and administration of online training materials
- **Assessment Management**
  The creation and administration of quizzes and exams that can be added as online components to all training items

## Your benefits at a glance

- Rapid implementation time - project time from 12 days
- Complete learning solution
- Provide unlimited access to learning content
